# Welcome!

## **How using a few ideas from software engineering can help data scientists, analysts and researchers write reliable code**

Need to update the links below

The book can be read for free on [https://b-rodrigues.github.io/raps\\_with\\_py/](https://b-rodrigues.github.io/raps_with_py/) and you'll be able buy a DRM-free Epub or PDF on Leanpub<sup>1</sup> once there's more content.

You can submit issues, PRs and ask questions on the book's Github repository<sup>2</sup>.
